In general, we shall seek to process your request within thirty (30) business days of receiving it, depending on the complexity of the request and its impact on our relationship with you.
9. Whilst we respect your decision to withdraw your consent, please note that depending on the nature and scope of your request, we may not be in a position to continue providing our goods or services to you and we shall, in such circumstances, notify you before completing the processing of your request. If we are unable to provide you with any personal data or to make a correction requested by you, we shall generally inform you of the reasons why we are unable to do so (except where we are not required to do so under the GDPR).

Protection of Personal Data

12. To safeguard your personal data from unauthorised access, collection, use, disclosure, copying, modification, disposal or similar risk, we have introduced appropriate administrative, physical and technical measures such as up to date antivirus protection, encryption and the use of privacy filters to secure all storage and transmission of personal data by us, and disclosing personal data both internally and to our authorised third-party service providers and agents only on a need-to-know basis.
